

# Hyde Park

Premium Vinyl Replacement Windows

*Hyde Park Premium Replacement Windows combine the superb style and modern performance features that show you care about quality.*

*When you invest in new windows, choose only the best. Hyde Park Premium Replacement Windows by Vinylmax.*

\* Fusion welded frame and sash corners are secure, weathertight and never pull apart.

\* Multi-chambered vinyl frame is energy efficient, maintenance-free and lasts a lifetime.

\* Beveled exterior frame enhances curb appeal.

\* Cove moulded detail at head of window creates instant elegance.

\* Tamper resistant overlap interlock spans the full width of the window to ensure that drafts and the elements stay out.

\* Multiple rows of weatherstripping on frame and sash reduce air infiltration.

\* Sloped sill with internal water management system facilitates easy water runoff and weeps moisture away.

\* Compression bulb at the sill provides a weathertight seal for extra protection against the elements.

\* Ergonomically designed integral lift handles at the top and bottom will never pull loose.

\* Recessed cam action locks not only put the sashes together for secure locking, but also activate a hidden mechanism that allows the double hung sashes to tilt in for easy cleaning.

\* AAMA certified dual night locks limit sash movement to permit secure ventilation when the window is partially open.

\* Constant force balance system allows sashes to move freely with no adjustment needed.

\* Intercept Warm-edge spacer system has proven seal integrity and conducts less heat and cold than other systems.

\* Double strength, double paned insulated glass produces optimal energy performance and includes glass breakage warranty.

## The Details make the Difference.

*Hyde Park Double Hung detail drawing*

Elegant cove moulding

Attractively curved lift rail and finely-crafted detail on the sash.

Hyde Park recessed dual cam locks have locked and open positions for locking and unlocking the window. The Clean position retracts a hidden tilt mechanism, allowing the window to tilt in for easy cleaning.

AAMA certified night locks have passed the forced entry resistance test, and limits the sash movement when engaged.

*Envision your showplace with any style of window you can imagine. Customizing your Hyde Park Premium Vinyl Replacement Windows to reflect your personal preferences is easy. Choose window styles, colors, and decorative options to create the design ambience that make your home unique. Vinylmax offers the perfect solution.*

## Vinyl Colors

Maintenance-free PVC vinyl stays color true, inside and out and all the way through. Guaranteed.

**White**

*Soft decorator white blends seamlessly with sophisticated interiors.*

**Tan**

*Neutral, yet warm, tan complements many types of exterior home designs.*

**Clay Exterior**

*Enhance your home's exterior without sacrificing style inside. Our two-tone products feature a weather-rated exterior finish and our soft decorator white interior.*

**Bronze Exterior**

**Technicolor**

*Customize the look of your home with one of seven standard exterior coatings or even choose a custom color.*

**Double Hungs**  
(shown in tan)  
*offer versatility and traditional styling*

**Architectural Shapes and Picture Windows**  
*combine to create elegant drama.*

**Sliding Windows**  
*provide ventilation and are a breeze to clean.*

**Casement Windows**  
*enhance the elegance of any home.*

**Bow and Bay Windows**  
*add drama and space to any room.*

## Grid Styles

Patterns vary according to window style, size and even your preference. Other decorative options available, too.

**Colonial**

*This traditional look is perfect for any style home.*

**Prairie**

*Adds dimension without blocking the view.*

**Diamond**

*Old-World charm for today's modern homes.*

## Grid Profiles

Vinylmax between-the-glass grids are securely locked into the Intercept Spacer, so they'll always stay straight and true.

**A) 5/8" Flat grids**  
*add simple style to any window.*

**B) 5/8" Georgian grids**  
*enhance home's appearance with sculptured detail.*

**C) 3/16" Pencil Brass grids**  
*highlight the warm elegance of a room.*

**D) 3/16" Pencil Pewter grids**  
*subtly suggest graceful lines.*

**E) Simulated Divided Lite (SDL) grilles**  
*are permanently adhered to the glass for a historic feel.*

*Maximum Energy Efficiency is the true measure of window quality. By choosing an IntelliGlass high-performance glass package, your satisfaction is assured. Here's how IntelliGlass creates a high-performance advantage for your home.*

## Intercept

An industry-proven system, Intercept Spacer continues to be the hallmark of glass performance. The secret is its flexible u-channel design. When temperatures fluctuate, the spacer flexes, leaving the seal in tact.

- \* Patented U-shape construction is visually appealing
- \* Proven Argon Retention ensures your windows perform for a lifetime
- \* Superior Warm Edge Performance lowers your energy bills
- \* Strongest Corners available prevent seal failures
- \* Grid-locking system keeps grids straight and secure

## Low E

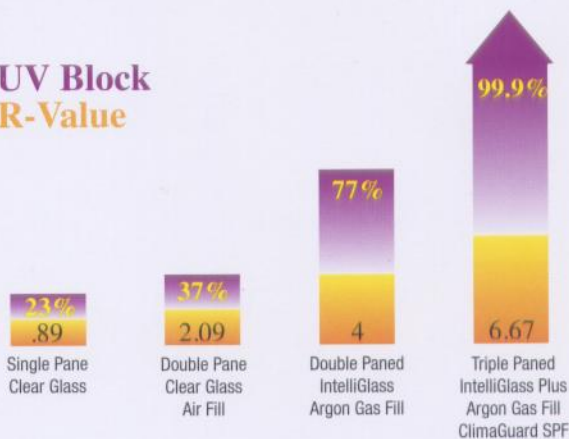

Solar Control Low E Glass gives every IntelliGlass package its energy efficient foundation. Choosing any IntelliGlass option qualifies your windows for the ENERGY STAR label.

- \* two microscopic layers of silver reflect heat back to its source
- \* titanium dioxide layer protects the silver, so it lasts for a lifetime.
- \* Your home is cooler in the summer, as solar heat is reflected away.
- \* Your home is warmer in the winter as furnace heat is reflected back into the home.
- \* Argon gas acts as a warm blanket between the panes of glass, adding extra insulation.

Optional ClimaGuard SPF provides 99.9% UV block to protect your home furnishings from damage from the sun's harmful ultraviolet rays.
