

# Prestige

Specialty Vinyl Replacement Windows

*Prestige casement and awning windows are packed with features that clearly emphasize performance, while improving the aesthetic appeal of any home. Don't settle for the ordinary. You deserve the spectacular Prestige Collection from Vinylmax.*

\* Fusion welded frame and sash corners are secure, weathertight and never pull apart.

\* Multi-chambered vinyl frame is energy efficient, maintenance-free and lasts a lifetime.

\* Double paned insulated glass produces optimal energy performance.

\* Intercept Warm-edge spacer system has proven seal integrity and conducts less heat and cold than other systems.

\* Double compression seals create a water and weathertight seal around the entire opening.

\* Maximum strength operating hardware effortlessly handles the weight of even the tallest sashes with smooth, quiet operation.

\* Crank handle subtly nests into the operator housing to prevent interference with window treatments.

\* Sashes open a full 90 degrees for both maximum ventilation and for cleaning both sides of the glass from inside the home.

\* Multi-point locking system secures the sash tightly into the frame in several locking locations with a single lever.

\* Color matched screen features a sturdy aluminum frame and fiberglass mesh.

*One Lite Casement*

*Two Lite Casement*

*Awnings & Fixed Lites*

*Three Lite Casement*

*Prestige casement and awning windows are designed to be customized to your exact design vision. With so many window styles, colors and decorative options, endless possibilities abound for every room of your home.*

Maintenance-free PVC vinyl stays color true, inside and out and all the way through. Guaranteed.

### Vinyl Colors

**White**

*Soft decorator white blends seamlessly with sophisticated interiors.*

**Tan**

*Neutral, yet warm, tan complements many types of exterior home designs.*

**Clay Exterior**

*Enhance your home's exterior without sacrificing style inside. Our two-tone products feature a weather-rated exterior finish and our soft decorator white interior.*

**Bronze Exterior**

**Technicolor**

*Customize the look of your home with one of seven standard exterior coatings or even choose a custom color.*

Patterns vary according to window style, size and even your preference. Other decorative options available, too.

### Grid Styles

**Colonial**

*This traditional look is perfect for any style home.*

**Prairie**

*Adds dimension without blocking the view.*

**Diamond**

*Old-World charm for today's modern homes.*

Vinylmax between-the-glass grids are securely locked into the Intercept Spacer, so they'll always stay straight and true.

### Grid Profiles

**A) 5/8" Flat grids**  
*add simple style to any window.*

**B) 5/8" Georgian grids**  
*enhance home's appearance with sculptured detail.*

**C) 3/16" Pencil Brass grids**  
*highlight the warm elegance of a room.*

**D) 3/16" Pencil Pewter grids**  
*subtly suggest graceful lines.*

**E) Simulated Divided Lite (SDL) grilles**  
*are permanently adhered to the glass for a historic feel.*

*Maximum Energy Efficiency is the true measure of window quality. By choosing an IntelliGlass high-performance glass package, your satisfaction is assured. Here's how IntelliGlass creates a high-performance advantage for your home.*

An industry-proven system, Intercept Spacer continues to be the hallmark of glass performance. The secret is its flexible u-channel design. When temperatures fluctuate, the spacer flexes, leaving the seal intact.

### Intercept

- Patented U-shape construction is visually appealing
- Proven Argon Retention ensures your windows perform for a lifetime
- Superior Warm Edge Performance lowers your energy bills
- Strongest Corners available prevent seal failures
- Grid-locking system keeps grids straight and secure

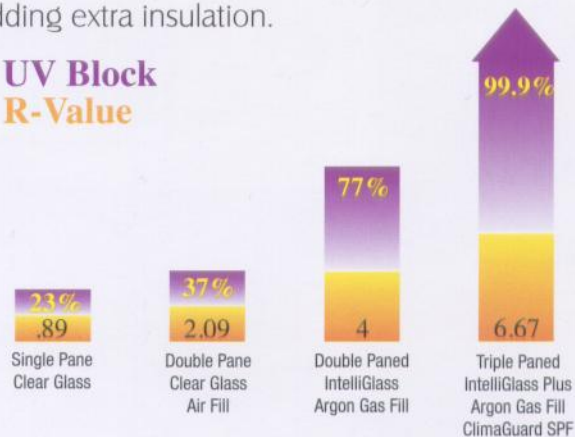

Solar Control Low E Glass gives every IntelliGlass package its energy efficient foundation. Choosing any IntelliGlass option qualifies your windows for the ENERGY STAR label.

### Low E

- two microscopic layers of silver reflect heat back to its source.
- titanium dioxide layer protects the silver, so it lasts for a lifetime.
- Your home is cooler in the summer, as solar heat is reflected away.
- Your home is warmer in the winter as furnace heat is reflected back into the home.
- Argon gas acts as a warm blanket between the panes of glass, adding extra insulation.

### UV Block R-Value

Optional ClimaGuard SPF provides 99.9% UV block to protect your home furnishings from damage from the sun's harmful ultraviolet rays.

A family owned and operated company, Vinylmax has been carefully crafting custom windows for more than 25 years. With a commitment to exceeding industry standards Vinylmax offers you a Limited Lifetime Warranty.

### About Us

All Vinylmax windows with an IntelliGlass package carry the ENERGY STAR label for energy efficiency.
